Dear Dr. David Adams,

Thank you for your RightsLink request to post your 1989 article, "The Seville Statement on Violence: A Progress Report" from the *Journal of Peace Research* on your personal website.

Under SAGE Publishing's Journal Author Re-Use policy, journal authors are typically allowed to post Version 2 (the accepted, peer-reviewed version) of their paper on their personal website. However, given the date of the original publication, the journal's editor has granted their approval in this instance for you to post Version 3 (the final, published version) of your article on your personal website. You will need to provide a full citation to the original SAGE publication, as well as including a link to your work on the SAGE journal's website: (<http://journals.sagepub.com/doi/abs/10.1177/0022343389026002001>).

As permission for this request has been granted via this email, we will cancel your RightsLink order. If you have any questions, or if we may be of further assistance, please let us know.

Best regards,

Craig Myles
